Introducing

ACCESS XL™

Draper's Popular Access Projection Screen Series Just Got **BIGGER!**

Looking for the perfect motorized screen for a large room or auditorium? Draper is pleased to introduce the newest addition to the Access screen line–the Access XL. Access XL screens are motorized, ceiling-recessed and offered in a range of large sizes not previously available in Access screen models. See back for details.

Bigger & Better

Draper's new Access XL series projection screens offer many of the benefits of our existing Access screens but in a size range perfectly suited for even larger spaces.

Access XL Features:

- Offered in non-tensioned (Access XL/Series E) and tab-tensioned (Access XL/Series V) screen types.
- ***Access XL/Series E*** size range (depends on surface type):
  AV Format (H x W): 10'6" x 14' (320 cm x 427 cm)— 20' x 20' (610 cm x 610 cm)
  4:3 NTSC/PAL Format (Diagonal): 200"—295",
  16:9 HDTV Format (Diagonal): 184"—270",
  16:10 Format (Diagonal): 189"—278",
  15:9 Format (Diagonal): 187"—275"
- ***Access XL/Series V*** size range (depends on surface type):
  AV Format (H x W): 10'6" x 14' (320 cm x 427 cm)—18' x 18' (549 cm x 549 cm),
  4:3 NTSC/PAL Format (Diagonal): 210"—270",
  16:9 HDTV Format (Diagonal): 193"—248",
  16:10 Format (Diagonal): 198"—255",
  15:9 Format (Diagonal): 187"—252"
- Uses the same switches, remotes and controls as other Access screens.
- Sliding adjustable mounting brackets offer more flexible installation options.
- Available with built-in low voltage controller.
- Install the Access XL case first and the screen later to avoid screen damage during construction.
- Available with Matt White, Glass Beaded, High Contrast Grey, M1300, M2500 and HiDef Grey screen surfaces.
- Motor-in-roller assures quiet and smooth operation.
- Sleek white ceiling-recessed case installs above ceiling. Case trim flange finishes the ceiling opening cleanly.
- Part of Draper's Conceal/Reveal™ line of products. Screen surface conceals completely when not in use.
- Warranted for one year against defects in materials and workmanship.
- Available in 110V and 220V varieties.
- Custom sizes available.

Adjustable Mounting Brackets
